# EXQUISITENESS: ULTIMATE FUNCTIONALISM

Fingerprint lock, secure your valuables

Full leather covered drawers, skin-friendly and easy to clean

Wireless charging, unlimited power supply

# SIMPLICITY:
# CREATE FOR FUTURE SPACE

Soft wood grain, gentle leather, and textured metal inject sharpness and
confidence into a rational space, showcasing a firm spirit.

# GREAT VISION FOR FARSIGHTEDNESS

Stand up and see farther. The AERO lifting conference table has three levels of memory height that can be easily adjusted with one button, which allows for physical and mental stretching, divergent thinking, and more efficient decision-making.

Removable Hand Remote

# NO DISTANCE
# NO ANXIETY

Remote video conferencing breaks the barriers of time and space, and communication is within reach. The AERO video conferencing table is equipped with a wireless power supply track in the center, eliminating the anxiety of low battery and connecting in easy way.
