AERO

The Source Power to Explore the Unknown Fields

SMART
KNOW YOU BETTER THAN YOURSELF

ENERGY
MULTI-DEVICE WIRELESS CHARGING

UP
LEVEL UP AS YOU WISH

GENTLE
COMFORTABLE NATURE DESIGN

Distinctive style. Refined design. Enduring comfort and joy.

EXQUISITENESS: ULTIMATE FUNCTIONALISM

Fingerprint lock, secure your valuables

Full leather covered drawers, skin-friendly and easy to clean

Wireless charging, unlimited power supply

SIMPLICITY: CREATE FOR FUTURE SPACE

Soft wood grain, gentle leather, and textured metal inject sharpness and confidence into a rational space, showcasing a firm spirit.

GREAT VISION FOR FARSIGHTEDNESS

Stand up and see farther. The AERO lifting conference table has three levels of memory height that can be easily adjusted with one button, which allows for physical and mental stretching, divergent thinking, and more efficient decision-making.

Removable Hand Remote

NO DISTANCE NO ANXIETY

Remote video conferencing breaks the barriers of time and space, and communication is within reach. The AERO video conferencing table is equipped with a wireless power supply track in the center, eliminating the anxiety of low battery and connecting in easy way.

ELEGANCE THAT OPENS THE MIND

Light walnut grain and refined grey blend in quiet harmony, shaping a workspace with calm authority and understated warmth. Within this simplicity lies a quiet strength, creating an environment that feels both open and inspiring.

Electric height-adjustable system allows seamless transition between sitting and standing, keeping energy and focus flowing. Side storage cabinets cleverly organize essentials, balancing accessibility with a sense of order and efficiency.

Designed for collaborative brainstorming, it features ergonomically angled edges and dual flip-top power modules, allowing every team member to focus, engage, and create with ease.

Beveled Base with Sculptural Form

The 4.8-meter tabletop sets a commanding tone for strategic discussions. Its expansive surface accommodates key agendas, supporting clear thinking and collaborative decision-making.
