MELLOW SERIES

Mellow

Calm in Form, Clear in Order

Sunlight fills the space. Mellow, a desk in character. On the outside, warm and approachable; on the inside, meticulous and disciplined.

Rounded with Care

Corners feature R30 rounded edges, preventing bumps while reflecting thoughtful design. Every curve adds subtle elegance, shaping a workspace with poise and refinement.

Double-Layer Surface

R30 Rounded Corners

Efficiently Organized

Every item finds its place, with open shelves for quick access and closed cabinets for private essentials. Thoughtful storage keeps the workspace tidy, supporting a productive and orderly environment.

Concealed cable management keeps cords out of sight, preserving a clean and efficient desktop.

Rich walnut tones meet meteor grey, shaping a workspace of calm focus and understated elegance. Every detail balances classic craftsmanship with modern refinement.

Carol

Efficiently Organized

Carol draws inspiration from the Mobius strip, transforming its concept of endless innovation into smooth curves and gracefully turning armrests. The design merges timeless elegance with functional fluidity.

In spaces designed for focus and creative flow, comfort is effortless.

Fully wrapped in leather, the armrests invite a gentle, skin-friendly touch.

The dual-layer cushion combines a soft, contouring top with firm, supportive base.

Carol's soft light grey hue and gently arched legs shape a corner of the office into a space that feels both relaxed and refined, where conversation unfolds with ease.
